2023-2024

KINDERGARTEN REGISTRATION IS OPEN

You will need:

Birth Certificate

Proof of Residence (ie: warranty deed, title, lease agreement, letter)

Immunizations

Child must be age 5 on or before October 1, 2023.

All forms are on our [registration tab on our home page](#). Please download, complete and email(fte.portal@dcsdk12.org), fax (303-387-5301) or drop them off at the school.

[Choir is Back!](#)

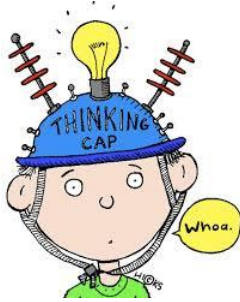

I am excited to invite you all back for another session of Franktown Choir! We will begin on Wednesday, January 18th. We will have approximately 15 days to practice this semester and perform for parents in early May. Rehearsals will be every Wednesday morning from 8:00 to 8:55. There is a \$30 choir fee. Please log into [My Schoolbucks](#) to register and pay the fee. By registering you agree to be a member of the Franktown Elementary Choir and will arrange transportation to the school on Wednesdays at 8 am. All members are expected to be on time, demonstrate exceptional classroom behavior, follow directions, and work together as a team. We will have some fantastic fun music to sing. All skill levels are welcome. We are also fortunate to have an exceptional volunteer accompanist, Mr. Allen Pack, returning with us. Please send a small snack and water bottle each morning with your child.

I look forward to seeing you!

Mrs. Lora Pack

Franktown Music

[Registration deadline Tuesday Jan 24, 2023](#)

Ed Zaccaro Parent Night
Wednesday, January 18th
8:30 to 3:30
Location TBD - Will be in person

Course Description

This course will provide opportunities for participants to create a foundational understanding of **twice-exceptional learners** including definitions, cognitive/affective characteristics, identification practices, and social/emotional needs. Participants will explore ways a Multi-Tiered System of Supports (MTSS) framework can be used to identify, plan for, and serve learners with multi-exceptionalities. We will analyze and discuss best practices for nurturing learner potential, and create a plan to implement a range of evidence-based strategies to differentiate instruction, content, and assignments for twice-exceptional learners.

Details and Logistics

- Participants are encouraged to participate in multi-disciplinary teams that may include: *the gifted education facilitator, a special education provider (mild/moderate special education teacher, psychologist, etc.), and a general education classroom teacher.*
- Title II funds will cover the cost of any necessary substitutes.
- **We ask that each member** of a multidisciplinary team complete [**THIS FORM.**](#)

Once you have completed the form, you will receive an email detailing how to obtain your sub (what code to use) and how to register in InspirED.

This course counts towards the 2e section of the Metro Certificate. Additional advanced modules will be released at a later date to complete this area of the Metro Certificate.

Please contact Kim Bertha, Misty Burkhart, or Natasha Straayer with any questions.

-OR-

Colorado Department of Education (CDE) Twice Exceptional Courses Offered!

Registration is open for both 2e Cadre online courses, *Supporting Twice-Exceptional Learners Part 1 and Supporting Twice-Exceptional Learners Part 2.*

More information can be found on the attached flyers. Registration is below, on the attached flyers and on [CDE's 2e professional development webpage](#).

QUICK DETAILS

Part 1 Course

Dates: Jan 14 – Feb 18, 2023

Registration Deadline: Jan 3, 2023

To register: [SELECT HERE](#)

Part 2 Course

Dates: Jan 14 – Feb 18, 2023

Registration Deadline: Jan 3, 2023

To register: [SELECT HERE](#)

There is increasing interest in meeting the needs of twice-exceptional students by all adults in the educational setting, so please let your mental health, special education, subject matter specialists, and administrators, in addition to gifted education teachers know about this opportunity.

For questions, please contact me, Rundquist_c@cde.state.co.us.

SAVE THE DATE! Sagewood Begins

Incoming 6th Grade Orientation Event - One Night Only

Thursday, January 26th, 2023

6:00 - 7:30 pm

AVID elective information starts at 5:15 pm - Room 137

We highly recommend that all families, including students, attend this informative event.

Families will receive detailed information to ensure your student(s) register for the correct and appropriate number and level of courses.

Learn about Sagewood Middle School's culture, schedules, academics, clubs and athletics.

Families will meet 6th grade teachers, coaches, club sponsors, administrators, counselors, and also tour our 6th grade pods and classrooms.

[Application](#) FRANKTOWN ELEMENTARY SCHOOL SCIENCE FAIR

OPEN TO ALL FRANKTOWN STUDENTS (GRADES K - 5)

Projects Due: Morning, Tuesday, February 21, 2023

Classroom Viewing: Wednesday, February 22, 2023

Family & Public Viewing (and judging for grades 4 & 5):

Thursday evening, February 23, 2023

Minimum Project Requirements:

K –1: Each participating student and his/her parents investigate a science topic together.

A simple experiment should be done as part of the investigation. Together, each participating student and his/her parents make a display showing what they learned. Each participant will receive a Participation Ribbon.

2 – 3: Each participating student investigates a science topic with parental assistance (meaning parental involvement is appropriate; however, students should do as much of the work as is both possible and practical).

It is preferred that an experiment be done as part of the investigation, though an experiment is not required. With parental assistance, each participating student makes a display showing what he/she did and learned. Each participant will receive a Participation Ribbon.

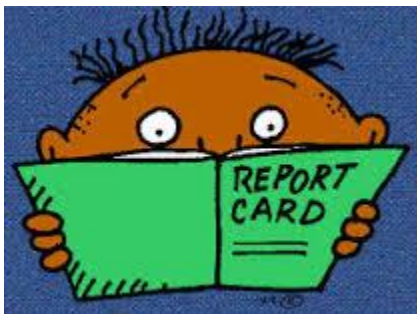

4 –5: Each participating student investigates a science topic. An experiment must be done as part of the investigation. Each participating student must follow directions for completing his/her investigation. Each participating student makes a display showing what he/she did and learned. A bibliography of two or more resources that tells from where each participating student found information that helped him/her design the experiment and make a hypothesis **MUST** be included as part of an abstract or display board. The participating student **MAY** submit a written research paper that summarizes the research done for the project or on a topic related to his/her investigation. *(Parental involvement, for fourth and fifth grade investigations should be minimal. Fourth and fifth grade students must plan and complete their own investigations, displays, and reports. A parent may only supervise and critique his/her child's work for safety; age appropriateness; validity and accuracy of process, results, and conclusions; and timely completion.)*

Each participant will receive a Participation Ribbon. Medals will be given to the 1st, 2nd, and 3rd place winners in each grade- 4th and 5th.

Registration Deadline:

To participate in the Franktown Elementary School Science Fair, students must complete and submit a **PROJECT REGISTRATION FORM** by February 10. A copy of the registration form is attached to this packet.

IMPORTANT NOTE: Projects that involve humans and/or vertebrate animals will **NOT** be permitted unless a "Human/Vertebrate Animal Protocol Form" is completed and approved **prior** to beginning the experiment. Please contact Mrs. Markel to secure "Human/Vertebrate Animal Protocol Form," if needed. [Application](#)

The Fall 2022 Elementary Progress Report (EPR) will be available beginning Friday, December 23 via the EngagED Parent Portal. In an effort to alleviate any frustration with accessing your student's EPR, we are requesting that you validate your log in credentials for the portal at engaged.dcsdk12.org ahead of the December 23rd release. These credentials are the same username and password that you use for accessing the Express Check In process.

Should you encounter any log in issues, please visit www.dcsdk12.org/elementary-progress-report for detailed instructions. You may also contact the IT Support Center by email (parenthelp@dcsdk12.org) or phone 303-387-0001.

Dear Franktown Families,

We wanted to send a quick communication out on the importance of school attendance. As school is back in session, it is important to have a strong understanding of how daily attendance

is essential to student success at all grade levels. Colorado State law requires students to attend school regularly. We monitor weekly attendance reports, which communicate if students are falling in the chronic absenteeism category of being absent 10 percent or more of the days enrolled in school during the year. These do include all absences- unexcused and excused. We understand that children get sick and we definitely want them to stay home and get healthy. We also understand that different circumstances arise where your child may need to come late, leave early or miss a day here or there. Please continue to work with us to ensure that your child is at school so they are able to experience the highest success possible.

Mark Harrell, Principal
Franktown Elementary School
mark.harrell@dcsdk12.org

Chandra Baca, Assistant Principal
Franktown Elementary School
chandra.baca@dcsdk12.org

School Hours!!!

9:05 am to 3:55 pm is our school day. Please make sure you have your student dropped by 9:05 at the latest, or they will be tardy. Thanks!

Borrowed clothes from the Health Room?

If by chance, your child came home in a different outfit one day after school sponsored by the health room. Would you please make sure you wash it and return it to the school as soon as possible. We have a very limited supply. **TIP: If all Kindergarten and 1st grade families would please put a change of clothes in your child's backpack for emergencies (accidents) that would be very helpful.**

The mission of the Franktown Elementary School Counseling Program is to empower students to reach their full potential by providing a comprehensive program that provides support to all students' kindergarten through fifth grade in social/emotional, academic, and career development. The counseling program will help remediate barriers to help each student become successful. The comprehensive program consists of bimonthly classroom lessons and prevention programs. It also includes short-term individual counseling, crisis intervention, and small group counseling as needed.

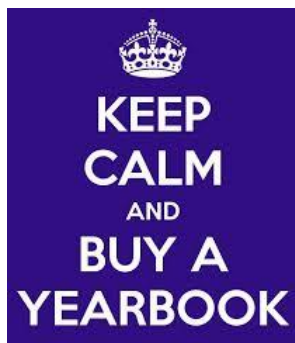

January 13th, 2023- PTO Community Meeting! All are invited! Come down and see what it is all about! The meeting usually last about an hour but could go over when we are having fun. Bring your coffee and littles are always welcome.

You'll have a
ROARING
good time!!

EARN
CASH FOR
SCHOOLS

Box Tops products are identified and earnings are credited online.

We earned \$13.50 in November.

Baking Schools Better Sweepstakes: Scan a receipt containing eligible Box Tops products through December 31 and you will be entered for a chance to win \$1,000 in Box Tops for our school and the NEW Betty Crocker cookbook for yourself.

Participants can now submit digital receipts right from the Box Tops app home screen by tapping “Scan” and choosing “digital receipt.” A compatible OS (iPhone 14+ or Android 7+) and the latest version of the Box Tops app downloaded on your device are required.

An overview of the program can be found on their website at [Box Tops for Education: Home](#). The app used for scanning is available from the Apple App Store, Google Play, or their site. For special promotions and sweepstakes,

please visit <https://www.boxtops4education.com/s/how-to-earn> and [Box Tops Products](#) for the list of over 350 qualifying products.

Your efforts benefiting our involvement in this program are greatly appreciated!

AM drop off procedures: Pull along the curb to let students out, please use the entire length of the curb. We have staff along the curb that will help your student if needed. Alternatively, park in a parking spot and walk your student from the parking lot using the crosswalk. Please do not allow your student to walk from a parking spot into school without you present.

PM pick up procedures: Pull along the curb as far forward or north as possible. If there is not enough room at the curb, form a line and wait to pull forward. We will help load your student from the curbside only. Please do not use the second lane of through traffic for loading. Or Park in a parking spot and **walk to the sidewalk** and take your child back to the car with you using the crosswalk.

We encourage all families that can, ride the school bus. This will help with our long lines during drop off and pick up. If you need assistance with getting a bus route set up, please contact the front office. Please ride the bus!
